## RE: LETTER OF COMMITMENT

"I acknowledge that I am identified by name as Co-Principal Investigator to the investigation, entitled "10 meter Sub-Orbital Large Balloon Reflector (LBR)", that is submitted by Christopher K. Walker to the NASA Research Announcement NNH14ZOA001N, and that I intend to carry out all responsibilities identified for me in this proposal. I understand that the extent and justification of my (our) participation as stated in this proposal will be considered during peer review in determining in part the merits of this proposal. I have read the entire proposal, including the management plan and budget, and I agree that the proposal correctly describes my commitment to the proposed investigation.

For the purposes of conducting work for this investigation, my participating organization is Southwest Research Institute."

Sincerely,

I. Steve Smith  
Sr. Program Manager – R&D
